1 Purely functional

Ergonomic design that looks good combined with an antistatic function.

2 Organised

Our patented coin lock keeps your store in order. The ergoloc can be operated with coins or the systec KeyCard.

3 Comfortable

The systec cupholder is multifunctional: Cup, pencil and shopping list: All is being cared for.

4 Safe

The scanner holder provides a secure fit and convenient handling of the scanner.

ergogrip F – ergonomic, antistatic, flexible

Perfect ergonomics combined with exceptional design – this distinguishes our ergogrip F. It provides more comfort and a relaxed shopping experience. The ergogrip F is equipped as standard with an antistatic

function. The two-component material in the handle allows for a lasting discharge. Thus annoying electro static shocks are effectively avoided while pushing the shopping trolley. The ergogrip F's modular design

offers a choice:

- Handle
- Handle with coin lock
- Handle with advertising clip
- Handle with coin lock and advertising clip

The ergogrip F just looks good.

Also available with two coin slots.

The modular design allows for flexibility.

1 Quick & up-to-date

The ergogrip F takes care of your profit, no matter if you advertise your own or other brands. The advertisement label can be changed in a matter of seconds.

2 Antistatic

The inbuilt conductive strip prevents the static charge of the shopping trolley.

3 Attractive

The patented systec KeyCard cares for increased customer loyalty. In addition, it offers a double sided advertising space.

4 Stable

Key and chain are made of stainless steel. Also available with a yellow chromated coating for low cost.

The Number 1 for coin deposit locks

Founded in 1974, systec developed the first patented coin lock for shopping trolleys in 1981. Since that date, systec has become the global and technology leader in this field. Its products now range from coin deposit locks and antistatic handlebar systems, trolley advertising systems to child safety and containment systems for shopping trolleys. systec is the supplier to all leading shopping trolley manufacturers and exports its products to more than 50 countries.
