SmartSafe

# SmartSafe is easy to use

SmartSafe is the new seat belt system for shopping trolleys. With SmartSafe the safety standard for children in shopping trolleys is being pushed to the next level. Simply pull out

the belt, wrap it around the child's body and engage the catch - done. The belt automatically adapts to the child's size and makes manual belt adjustments a thing of the past.

Efficient child safety for shopping trolleys enables parents to relax when shopping.

1

Pull out the belt.

2

Put the belt around the child.

3

Engage the catch.

# Simply safe, simply relaxing

## ▶ Safe

The belt automatically adapts to the child's size and effectively prevents the child from standing up and the trolley from tipping over.

## ▶ Clean

The belt is well protected inside the casing and kept hygienically clean and dry.

## ▶ Simple

Pull out the belt and engage – simple.

## ▶ Comfortable

SmartSafe's casing not only protects the belt but also provides a comfortable backrest.

## ▶ Relaxed

Relaxed parents spend more time shopping.

## ▶ Robust

The casing is made of high-resistant plastic and is ideal for use on shopping trolleys.

# Buckle up

Putting on a belt must be easy – or it will not be used. The SmartSafe belt system is extremely easy and quick to use and adapts automatically to a child's size.

It efficiently prevents children from standing up and the trolley from tipping over. When not in use, the SmartSafe belt is protected inside the housing

and kept free from dirt, damp and damage.

Use instructions are permanently engraved on the SmartSafe housing.

SmartSafe increases child safety and enables parents to relax when shopping.

# The Number 1 for coin deposit locks

Founded in 1974, systec developed the first patented coin lock for shopping trolleys in 1981. Since that date, systec has become the global market and technology leader in this field. Its products now range from trolley locks to antistatic advertising handles to seat belts and containment systems for shopping trolleys. systec is the supplier to all leading shopping trolley manufacturers and exports to more than 50 countries.
