trolleymatic 2

KeyCard – The key to customer loyalty

- The deposit lock of the trolleymatic 2 can be released with a coin as well as the special systemec KeyCard.

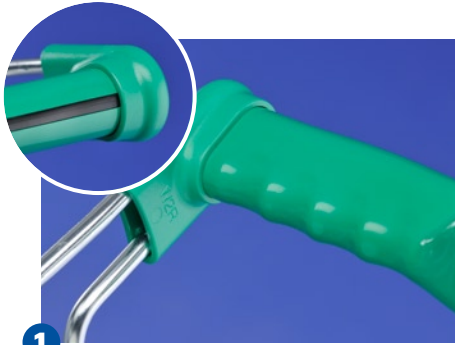

- The double sided advertising space makes the KeyCard the perfect advertising media.

- The lock function can be utilized with coin only, a combination of coin and KeyCard and KeyCard only.

- As an option the KeyCard can be equipped with a barcode or a serial number.

trolleymatic 2 – Ergonomic variety

1

2

1 Ergonomic + Antistatic

Ergonomic grip moulds for more comfort. The inbuilt conductive strip prevents the static charge of the shopping trolley.

2 Profitable

The trolleymatic 2 takes care of your profit, no matter if you advertise your own or other brands. The advertisement label can be changed in a matter of seconds.

3 Timesaving

The coin cassette of the trolleymatic 2 can be exchanged quick and easy. Thus you keep down your service costs.

4 Safe

The scanner holder provides a secure fit and convenient handling of the scanner.

Brilliant – trolleymatic 2 with magnifying glass

- Our new magnifying glass comes as an option for the trolleymatic 2. It enlarges the small print and makes it readable for all customers.
- Ideal magnification factor of 2,5 with a diameter of 55mm.
- Easy: Simply put up the magnifying glass and use it.
- Clever: To prevent from vandalism, the magnifying glass can only be used when the coin lock is released with a coin.
- Transparent polycarbonate makes the magnifying glass resistant and UV stable. Thus, the shopping trolleys can be kept outside.
- Easy upgrade: The magnifying glass can be added any time.

Optimal readability.

Patented mechanism.

Easy handling.

The Number 1 for coin deposit locks

Founded in 1974, systec developed the first patented coin lock for shopping trolleys in 1981. Since that date, systec has become the global and technology leader in this field. Its products now range from coin deposit locks and antistatic handlebar systems, trolley advertising systems to child safety and containment systems for shopping trolleys. systec is the supplier to all leading shopping trolley manufacturers and exports its products to more than 50 countries.
